¹ InsuranceNewsNet Magazine, March 2015 issue. Magazine source: The Commonwealth Fund | THIS POLICY PROVIDES LIMITED BENEFITS. This type of plan is not considered "minimum essential coverage" under the Affordable Care Act and therefore a Lump Sum Fixed Indemnity Insurance Policy does not satisfy the individual mandate that you have health insurance coverage. If you do not have other health insurance coverage, you may be subject to a tax penalty.

Metal Gap Plan

DID YOU KNOW?
~70% of people at least somewhat agree they regularly underestimate the total cost of an injury or illness, including medical, household and out-of-pocket expenses.²

An estimated 85%¹ of people who buy health insurance on an exchange receive subsidies, making premiums more affordable - however there are still out-of-pocket expenses that must be paid. A Metal Gap plan from SureBridge helps give you a layer of financial protection by providing **cash benefits**. The money is **paid directly to you**, not the hospital, and can be **used for anything you choose**. It's your money, your decision.
